

DEPARTMENT OF APPLIED MATHEMATICS

The Department of Applied Mathematics at The University of Western Ontario invites applications for a one-year position at the **Research Associate** level, with possible renewal for a second year.

The successful candidate will be abreast of current developments in elementary particle physics, and will have field-theoretical and phenomenological interests which significantly overlap those of members of our high-energy theory group (Alex Buchel, D. G. C. McKeon, and V. A. Miransky).

Applications should include a CV and brief statement of research interests. Applicants should also arrange for at least two letters of reference to be sent directly to:

Dr. Vladimir Miransky
