

DEPARTMENT OF APPLIED MATHEMATICS

The Department of Applied Mathematics at Western University invites applications for one-year position at the Postdoc or Research Associate level, with a possible renewal for a second year.

The successful candidate will be abreast of current developments in theoretical physics (high energy physics and material science), and will have field-theoretical and phenomenological interests, which significantly overlap those of members of our theoretical physics group (Alex Buchel, Colin Denniston Gerry McKeon, Markus Mueller, and Volodya Miransky).

Applications should include a CV and brief statement of research interests.

Applicants should also arrange for two letters of reference to be sent by email directly to:
